NEW YORK (A) — "How will I summertime New York City believed all the little niceties that make comes the biggest country town willing for the comedian in NEW YORK (#F — How will I recognize Jack Leonard?" asked a man waiting for the comedian in a frestaurant. He's lost so much weight I won't know him."

It is now not only a great place to live in the revolving front door. "When a guy slides through that will be Leonard."

The conard came in a moment in ter-turning it, that will ter-turning the door, it's true. But nevertheless a much thiner man, down 125 pounds to a mere 205 by his bathroom scale. A woman touristist who had blundered into the restaurant and was waiting for a table called excitedly, "Aren't you land the man who had been waiting for him."

State Gains 10,000 Jobs During Year

By E. B. MAYFIRE a.
(Democrat Staff Winner)

There have been over 10,000 industrial jobs created or in the making in Arkansas in the past year, representing an estimated annual payroll of \$27.5 million.

This information was contained in a report by Winthrop Rockefeller, chairman of the Arkansas Industrial Development Commission. ARKANSAS DEMOCRAT,
Friday, July 13, 1956

JBUS PLAN:

The 10,431 new jobs were supplied, or definitely, committed, by 72 new industrial plants and 50 others which announced expansion plans during the fiscal year ending with June.

This is better than a 180 per pent increase over the announced new industrial employment in any of the past three years, the report said.
